3. Provide staff training that includes an explanation of:
   a. The district's ergonomics program
   b. The exposures that have been associated with RMIs

PROFESSIONAL LEAVES

The Board of Trustees recognizes that a broad range of experiences can strengthen an employee's ability to meet the educational needs of the district's students.

The Board may grant a professional leave of absence for up to one year to certificated employees for the purpose of permitting study or travel which will benefit the schools and students of the district. No more than one such leave of absence may be granted to an employee in a seven-year period. (Education Code 44966, 44967)

(cf. 4131 - Staff Development)
(cf. 4161/4261/4361 - Leaves)

To be eligible for a professional leave of absence, an employee must have served in the district for at least seven consecutive years preceding the leave. For this purpose, any prior professional leave taken by an employee shall be deemed a break in the employee's service. No other type of leave authorized by the Board, and no service by the employee for one year or less under a national recognized fellowship or foundation approved by the State Board of Education for research, teaching, or lecturing, shall be deemed a break in the employee's service. (Education Code 44967)

Rather than granting a professional leave for a continuous one-year period, the Board may require that the leave be taken in separate six-month periods or separate quarters, provided that the total leave is completed within three years. Any period of service by the employee between the separate periods of leave shall comprise a part of the service required for a subsequent leave of absence. (Education Code 44966)

As a condition of being granted professional leave, the employee shall agree in writing to render service in the district following his/her return for a period equal to twice the period of the leave. (Education Code 44969)

The Board and employee may agree in writing to have the employee perform services for the district during the professional leave. (Education Code 44968)

Unless the employee agrees in writing with the Board not to receive compensation during the leave, the employee shall receive such compensation during the leave as the Board and employee agree upon in writing, which shall not be less than the difference between the employee's salary and the salary of a substitute employee in the position which the employee held prior to the granting of the leave. In lieu of such a difference, the Board may pay one-half of the salary of the employee or any additional amount up to and including the full salary of the employee. (Education Code 44968, 44968.5)

Compensation during the leave shall be paid in the manner authorized by Education Code 44969 and 44970.
PROFESSIONAL LEAVES (continued)

At the end of the professional leave, the employee shall be reinstated in the position he/she held when the leave was granted, unless otherwise agreed upon by the employee. (Education Code 44973)

MILITARY LEAVE  (continued)

4. Inactive Duty Training: The employee is a member of the reserve corps or force of the United States Armed Forces, National Guard, or Naval Militia who is engaged in temporary inactive duty training, provided that he/she has been employed by the district for at least one year immediately prior to the day the military leave begins and the ordered duty does not exceed 180 days, including time involved in going to and returning from such duty.

In determining the length of district employment when necessary to determine eligibility for compensation for military leave, all recognized military service performed during and prior to district employment shall be included.

For classified employees, 30 days' compensation shall be one month's salary. For certificated employees, 30 days' compensation shall be one-tenth of the employee's annual salary. (Education Code 45059)

Certificated employees shall not be entitled to compensation during non-teaching, non-paying months of the year.

During the period of military leave, an employee may, upon his/her own request, use any vacation or similar paid leave accrued before the commencement of the military leave. The district shall not require the employee to use such leave. (38 USC 4316; 20 CFR 1002.153)

An employee may elect to continue his/her health plan coverage during the military leave. The maximum period of coverage for the employee and his/her dependents shall be either 24 months from the beginning of the leave or until the day after the employee fails to apply for or return to employment, whichever is less. (38 USC 4317; 20 CFR 1002.164)

An employee on military leave may be required to pay the employee cost, if any, of any funded benefit to the extent that other employees on leave are so required. (38 USC 4316)

An employee absent for 30 days or fewer shall not be required to pay more than the employee share for such coverage. An employee absent for 31 days or more may be required to pay not more than 102 percent of the full premium under the plan. (38 USC 4317; 20 CFR 1002.166)

Any employee called into active military duty as a member of the California National Guard or a United States Military Reserve organization shall receive, for up to 180 days, the difference between the amount of his/her military pay and the amount the employee would have received from the district and all benefits that the employee would have received if he/she had not been called to active military duty, unless the benefits are prohibited or limited by vendor contracts.
MILITARY LEAVE  (continued)

Vacation and Sick Leave Accrual

An employee on temporary military leave under the conditions described in item #1 Active Military Training or Exercises, in the section entitled "Salary/Compensation" above, shall continue to accrue the same vacation, sick leave, and holiday privileges to which he/she would otherwise be entitled if not absent. (Military and Veterans Code 395)  

(cf. 4161.1/4361.1 - Personal Illness/Injury Leave)  
(cf. 4261.1 - Personal Illness/Injury Leave)  

An employee on military leave who is serving in active duty in time of war, national emergency, or United Nations military or police operation shall not accrue sick leave or vacation leave during the period of such leave. (Military and Veterans Code 395.1)  

However, an employee who is a National Guard member on active duty as described in item #3 War or Other Emergency, in the section entitled "Salary/Compensation" above, shall not suffer any loss or diminution of vacation or holiday privileges because of his/her leave of absence. (Military and Veterans Code 395.05)

Payment of employer and employee contributions shall be made in accordance with law for members of the State Teachers' Retirement System or Public Employees' Retirement System. (Education Code 22850-22856; Government Code 20990-21013)  

Employment Status

Absence for military leave shall not affect the classification of any certificated employee. In the case of a certificated probationary employee, the period of such absence shall not count as part of the service required to obtain permanent status, but shall not be construed as a break in the continuity of service for any purpose. (Education Code 44800)  

(cf. 4116 - Probationary/Permanent Status)  

Reinstatement Rights

At the conclusion of the military duty, an employee shall be promptly reinstated in the position held at the beginning of the leave, at the salary to which he/she would otherwise have been entitled, except under the conditions noted below. (Education Code 44800; Military and Veterans Code 395, 395.2; 38 USC 4304, 4313; 20 CFR 1002.180-1002.181)
MILITARY LEAVE  (continued)

(cf. 4030 - Nondiscrimination in Employment)

Any employee who performs active military duty in time of war, national emergency, or United Nations military or police operation has a right to return to his/her position within six months of an honorable discharge or placement on inactive duty. Reinstatement rights shall not be extended to any such employee who fails to return within 12 months after the first date upon which he/she could terminate or could cause to be terminated his/her active service. (Education Code 44800; Military and Veterans Code 395.1)

When an employee has been on military leave for reasons other than war or national emergency, the time frame for reinstatement shall depend on the length of military service as follows: (38 USC 4312; 20 CFR 1002.115, 1002.118)

1. For a leave of 30 days or fewer, the employee shall report for duty no later than the beginning of the first full work day following the completion of military service, provided the employee has a period of eight hours to rest following transportation to his/her residence.

2. For a leave of 31-180 days, the employee shall submit a written or verbal application for reinstatement not later than 14 days after the completion of military service.

3. For a leave of more than 180 days, the employee shall submit a written or verbal application for reinstatement within 90 days after the completion of military service.

In cases where reporting within the periods specified in items #1 and #2 above is impossible or unreasonable through no fault of the employee, he/she shall report as soon as possible after the expiration of the period. (38 USC 4312; 20 CFR 1002.115, 1002.117)

An employee who is hospitalized for, or convalescing from, an illness or injury incurred in or aggravated during the performance of military service shall report for duty or submit an application for reinstatement at the end of the period that is necessary to recover from such illness or injury, but no more than two years after the completion of military service unless circumstances beyond the employee's control make reporting within the two-year period impossible or unreasonable. (38 USC 4312; 20 CFR 1002.116)

(cf. 4032 - Reasonable Accommodation)

Upon receiving an application for reinstatement, the Superintendent or designee shall reinstate the employee as soon as practicable under the circumstances of his/her case, but within a time period not to exceed two weeks, absent unusual circumstances. (20 CFR 1002.181)
If the employee's previous position has been abolished, he/she shall be reinstated in a position of like seniority, status, and pay, if such position exists, or to a comparable vacant position for which he/she is qualified. (Military and Veterans Code 395, 395.1; 38 USC 4313; 20 CFR 1002.192)

An employee failing to apply for reinstatement within the appropriate period does not automatically forfeit his/her rights, but shall be subject to the Board's rules governing unexcused absences. (38 USC 4312)

The Superintendent or designee may elect not to reinstate an employee following military leave if any of the following conditions exists:

1. The district's circumstances have so changed as to make such re-employment impossible or unreasonable, such as a reduction in force that would have included the employee. (38 USC 4312; 20 CFR 1002.139)

2. The accommodation, training, or effort described in 38 USC 4313(a)(3), (a)(4), or (b)(2)(B) would impose an undue hardship on the district as defined in 20 CFR 1002.5 or 1002.198. (38 USC 4312; 20 CFR 1002.139)

3. The employee's position was for a brief, nonrecurrent period and there was no reasonable expectation that such employment will continue indefinitely or for a significant period. (38 USC 4312; 20 CFR 1002.139)

4. The employee's cumulative length of absence and length of all previous military leave while employed with the district exceeds five years, excluding those training and service obligations specified in 38 USC 4312(c). (38 USC 4312; 20 CFR 1002.99-1002.103)

5. The employee was separated from military service with a disqualifying discharge or under other than honorable conditions. (Military and Veterans Code 395.1; 20 USC 4304, 4312; 20 CFR 1002.134-1002.138)

Notices

The Superintendent or designee shall provide employees a notice of the rights, benefits, and obligations of employees granted military leave and of the district under the Uniformed Services Employment and Reemployment Rights Act (USERRA), 38 USC 4301-4334. (38 USC 4334)
MILITARY LEAVE  (continued)

This requirement may be met by posting the notice where the district customarily places notices for employees. (38 USC 4334)

In addition, the district shall grant PDL to any employee who is disabled by pregnancy, childbirth, or other related medical condition.  (Government Code 12945; 2 CCR 11037)

Terms of Leave

An eligible employee shall be entitled to a total of 12 work weeks of FMLA or CFRA leave during any 12-month period, except in the case of leave to care for a covered servicemember as provided under "Military Caregiver Leave" below. To the extent allowed by law, CFRA and FMLA leaves shall run concurrently.  (Government Code 12945.2; 29 USC 2612)

At the end of the employee's FMLA leave for disability caused by pregnancy, or at the end of four months of PDL, whichever occurs first, a CFRA-eligible employee may request to take CFRA leave of up to 12 work weeks, for the reason of the birth of a child or to bond with or care for the child. Use/Substitution of Paid Leave

For PDL, CFRA, or FMLA leave due to an employee's own serious health condition, the employee shall use accrued sick leave and may use accrued vacation leave and other paid time off at his/her option. (Government Code 12945, 12945.2, 12945.6; 2 CCR 11044; 29 USC 2612)

(cf. 4141/4241 - Collective Bargaining Agreement)
(cf. 4161/4261/4361 - Leaves)
(cf. 4161.1/4361.1 - Personal Illness/Injury Leave)
(cf. 4261.1 - Personal Illness/Injury Leave)

Intermittent Leave/Reduced Work or Leave Schedule

PDL and family care and medical leave for the serious health condition of an employee or his/her child, parent, or spouse may be taken intermittently or on a reduced work or leave schedule when medically necessary, as determined by the health care provider of the person with the serious health condition. However, the district shall limit leave increments to the shortest period of time that the district's payroll system uses to account for absences or use of leave provided it is not to be greater than one hour. (2 CCR 11042, 11090; 29 USC 2612)

(cf. 4113.4/4213.4/4313.4 - Temporary Modified/Light-Duty Assignment)

The basic minimum duration of leave for the birth, adoption, or foster care placement of a child shall be two weeks. However, the district shall grant a request for such leave of less than two weeks on any two occasions. (2 CCR 11090; 29 USC 2612)

The district may require an employee to transfer temporarily to an available alternative position under any of the following circumstances:  (2 CCR 11041, 11090; 29 USC 2612)

1. The employee needs intermittent leave or leave on a reduced work schedule that is foreseeable based on a planned medical treatment for the employee or family member.

2. A medical certification is provided by the employee's health care provider that, because of pregnancy, the employee has a medical need to take intermittent leave or leave on a reduced work schedule.

3. The district agrees to permit intermittent leave or leave on a reduced work schedule due to the birth, adoption, or foster care placement of the employee's child.

The alternative position must have equivalent pay and benefits and must better accommodate recurring periods of leave than the employee's regular job, and the employee must be qualified for the position. Transfer to an alternative position may include altering an existing job to better accommodate the employee's need for intermittent leave or a reduced work or leave schedule.  (2 CCR 11041, 11090; 29 USC 2612)

Request for Leave

The district shall consider an employee's request for PDL or family care and medical leave only if the employee provides at least verbal notice sufficient to make the district aware of the need to take the leave and the anticipated timing and duration of the leave.  (2 CCR 11050, 11091)

For family care and medical leave, the employee need not expressly assert or mention FMLA/CFRA to satisfy this requirement. However, he/she must state the reason the leave is needed (e.g., birth of child, medical treatment). If more information is necessary to determine whether the employee is eligible for family care and medical leave, the Superintendent or designee shall inquire further and obtain the necessary details of the leave to be taken.  (2 CCR 11091)

The district shall respond to requests for leave as soon as practicable, but no later than five business days after receiving the employee's request.  (2 CCR 11091)

Based on the information provided by the employee, the Superintendent or designee shall designate the leave, paid or unpaid, as FMLA/CFRA qualifying leave and shall give notice of such designation to the employee. Failure of an employee to respond to permissible inquiries regarding the leave request may result in denial of CFRA protection if the district is unable to determine whether the leave is CFRA qualifying.  (2 CCR 11091; 29 CFR 825.300)
FAMILY CARE AND MEDICAL LEAVE  (continued)

When an employee is able to foresee the need for PDL or family care and medical leave at least 30 days in advance of the leave, the employee shall provide the district with at least 30 days advance notice before the leave. When the 30 days notice is not practicable because of a lack of knowledge of when leave will be required to begin, a change in circumstances, a medical emergency, or other good cause, the employee shall provide the district with notice as soon as practicable. Failure of an employee to provide required notice may result in a denial of leave.  (2 CCR 11050, 11091)

In all instances, the employee shall consult with the Superintendent or designee and make a reasonable effort to schedule, subject to the health care provider's approval, any planned appointment or medical treatment or supervision so as to minimize disruption to district operations. (Government Code 12945.2; 2 CCR 11050, 11091)

Certification of Health Condition

Within five business days of an employee's request for family care and medical leave for his/her own or his/her child's, parent's, or spouse's serious health condition, the Superintendent or designee shall request that the employee provide certification by a health care provider of the need for leave. Upon receiving the district's request, the employee shall provide the certification within 15 days, unless either the Superintendent or designee provides additional time or it is not practicable under the particular circumstances, despite the employee's diligent, good faith efforts. (2 CCR 11091; 29 CFR 825.305)

The certification shall include the following: (Government Code 12945.2; 2 CCR 11087; 29 USC 2613)

1. The date on which the serious health condition began

2. The probable duration of the condition

3. If the employee is requesting leave to care for a child, parent, or spouse with a serious health condition, both of the following:

   a. Statement that the serious health condition warrants the participation of the employee to provide care, such as by providing psychological comfort, arranging for third party care, or directly providing or participating in the medical care of the child, parent, or spouse during a period of the treatment or supervision

   b. Estimated amount of time the health care provider believes the employee needs to care for the child, parent, or spouse
FAMILY CARE AND MEDICAL LEAVE (continued)

4. If the employee is requesting leave because of his/her own serious health condition, a statement that due to the serious health condition, he/she is unable to work at all or is unable to perform one or more essential functions of his/her job.

5. If the employee is requesting leave for intermittent treatment or on a reduced work or leave schedule for planned medical treatment, a statement of the medical necessity for the leave, the dates on which treatment is expected to be given, the duration of such treatment, and the expected duration of the leave.

When an employee has provided sufficient medical certification to enable the district to determine whether the employee's leave request is FMLA/CFRA-eligible, the Superintendent or designee shall notify the employee within five business days whether the leave is FMLA/CFRA-eligible. The Superintendent or designee may also retroactively designate leave as FMLA/CFRA leave as long as appropriate notice is given to the employee and there is no harm or injury to the employee. (2 CCR 11091; 29 CFR 825.301)

If the Superintendent or designee doubts the validity of a certification that accompanies a request for leave for the employee's own serious health condition, he/she may require the employee to obtain a second opinion from a district-approved health care provider, at district expense. If the second opinion is contrary to the first, the Superintendent or designee may require the employee to obtain a third medical opinion from a third health care provider approved by both the employee and the district, again at district expense. The opinion of the third health care provider shall be final and binding. (Government Code 12945.2; 2 CCR 11091; 29 USC 2613)

For PDL, the Superintendent or designee shall request that the employee provide certification by a health care provider of the need for leave at the time the employee gives notice of the need for PDL, or within two business days of giving the notice. If the need for PDL is unforeseen, the Superintendent or designee shall request the medical certification within two business days after the leave commences. The Superintendent or designee may request certification at some later date if he/she has reason to question the appropriateness of the leave or its duration. (2 CCR 11050)

For PDL that is foreseeable and for which at least 30 days notice has been given, the employee shall provide the medical certification before the leave begins. When this is not practicable, the employee shall provide the certification within the time frame specified by the Superintendent or designee which must be at least 15 days after the request, unless it is not practicable under the particular circumstances despite the employee's diligent, good faith efforts. (2 CCR 11050)
FAMILY CARE AND MEDICAL LEAVE  (continued)

Medical certification for PDL purposes shall include a statement that the employee needs to take the leave because the employee is disabled by pregnancy, childbirth, or a related medical condition, the date on which the employee became disabled because of pregnancy, and the estimated duration of the leave. (2 CCR 11050)

If additional PDL or family care and medical leave is needed when the time estimated by the health care provider expires, the district may require the employee to provide recertification in the manner specified for the leave. (Government Code 12945.2; 2 CCR 11050; 29 USC 2613)

The Superintendent or designee shall not request any genetic information related to an employee except as authorized by law in accordance with the California Genetic Information Nondiscrimination Act of 2011.

Release to Return to Work

Upon expiration of an employee's PDL or family care and medical leave taken for his/her own serious health condition, the employee shall present certification from the health care provider that he/she is able to resume work. The certification shall address the employee's ability to perform the essential functions of his/her job.

(cf. 4112.4/4212.4/4312.4 - Health Examinations)

Rights to Reinstatement

Upon granting an employee's request for PDL or FMLA/CFRA leave, the Superintendent or designee shall guarantee to reinstate the employee in the same or a comparable position when the leave ends. (Government Code 12945.2; 2 CCR 11043, 11089; 29 USC 2614)

However, the district may refuse to reinstate an employee returning from FMLA or CFRA leave to the same or a comparable position if all of the following apply: (Government Code 12945.2; 2 CCR 11089; 29 USC 2614)

1. The employee is a salaried "key employee" who is among the highest paid 10 percent of district employees who are employed within 75 miles of the employee's worksite.

2. The refusal is necessary to prevent substantial and grievous economic injury to district operations.
FAMILY CARE AND MEDICAL LEAVE  (continued)

3. The district informs the employee of its intent to refuse reinstatement at the time it determines that the refusal is necessary, and the employee fails to immediately return to service.

(cf. 4117.3 - Personnel Reduction)
(cf. 4217.3 - Layoff/Rehire)

The district may also refuse to reinstate an employee to the same or a comparable position if the FMLA/CFRA leave was fraudulently obtained by the employee. (2 CCR 11089; 29 CFR 825.216)

The district may refuse to reinstate an employee to the same position after taking PDL if, at the time the reinstatement is requested, the employee would not otherwise have been employed in that position for legitimate business reasons unrelated to the employee's PDL. (2 CCR 11043)

Maintenance of Benefits/Failure to Return from Leave

During the period when an employee is on PDL or family care and medical leave, he/she shall maintain his/her status with the district and the leave shall not constitute a break in service for purposes of longevity, seniority under any collective bargaining agreement, or any employee benefit plan. (Government Code 12945.2; 2 CCR 11092; 29 USC 2614)

For up to a maximum of four months for PDL and 12 work weeks for other family care and medical leave, the district shall continue to provide an eligible employee the group health plan coverage that was in place before he/she took the leave. The employee shall reimburse the district for premiums paid during the leave if he/she fails to return to district employment after the expiration of all available leaves and the failure is for a reason other than the continuation, recurrence, or onset of a serious health condition or other circumstances beyond his/her control. (Government Code 12945.2; 2 CCR 11044, 11092; 29 USC 2614; 29 CFR 825.213)

(cf. 4154/4254/4354 - Health and Welfare Benefits)

In addition, during the period when an employee is on PDL or family care and medical leave, the employee shall be entitled to continue to participate in other employee benefit plans including life insurance, short-term or long-term disability insurance, accident insurance, pension and retirement plans, and supplemental unemployment benefit plans to the same extent and under the same conditions as would apply to an unpaid leave taken for any other purpose. However, for purposes of pension and retirement plans, the district shall not make plan payments for an employee during any unpaid portion of the leave period and the leave period shall not be counted for purposes of time accrued under the plan. (Government Code 12945.2; 2 CCR 11044, 11092)
Military Family Leave Resulting from Qualifying Exigencies

An eligible employee may take up to 26 work weeks of unpaid FMLA leave, during each 12-month period established by the district in the section entitled "Terms of Leave" above, for one or more qualifying exigencies while his/her child, parent, or spouse who is a military member is on covered active duty or on call to covered active duty status. (29 USC 2612; 29 CFR 825.126)

**Covered active duty** means duty during the deployment of a member of the regular Armed Forces to a foreign country or duty during the deployment of a member of the National Guard or Reserves to a foreign country under a call or an order to active duty in support of a contingency operation pursuant to law. (29 USC 2611; 29 CFR 825.126)

**Qualifying exigencies** include time needed to: (29 CFR 825.126)

1. Address issues arising from short notice deployment of up to seven calendar days from the date of receipt of call or order of short notice deployment

2. Attend military events and related activities, such as any official ceremony or family assistance program related to the covered active duty or call to covered active duty status

3. Arrange child care or attend school activities arising from the covered active duty or call to covered active duty, such as arranging for alternative child care, enrolling or transferring a child to a new school, or attending meetings

4. Make or update financial and legal arrangements to address a military member's absence

5. Attend counseling provided by someone other than a health care provider

6. Spend time (up to 15 days of leave per instance) with a military member who is on short-term, temporary, rest and recuperation leave during deployment

7. Attend to certain post-deployment activities, such as arrival ceremonies or reintegration briefings

8. Care for a military member's parent who is incapable of self-care when the care is necessitated by the military member's covered active duty

9. Address any other event that the employee and district agree is a qualifying exigency
FAMILY CARE AND MEDICAL LEAVE  (continued)

The employee shall provide the Superintendent or designee with notice of the need for the qualifying exigency leave as soon as practicable, regardless of how far in advance such leave is foreseeable. (29 CFR 825.302)

An employee who is requesting leave for qualifying exigencies shall provide the Superintendent or designee with a copy of the military member's active duty orders, or other documentation issued by the military, and the dates of the service. In addition, the employee shall provide the Superintendent or designee with certification of the qualifying exigency necessitating the leave. The certification shall contain the information specified in 29 CFR 825.309.

The employee's qualifying exigency leave may be taken on an intermittent or reduced work or leave schedule basis. (29 CFR 825.302)

During the period of qualified exigency leave, the district's rule regarding an employee's use of his/her accrued vacation leave and any other accrued paid or unpaid time off, as specified in the section "Use/Substitution of Paid Leave" above, shall apply.

Military Caregiver Leave

The district shall grant an eligible employee up to a total of 26 work weeks of leave during a single 12-month period, measured forward from the first date the leave is taken, to care for a covered servicemember with a serious illness or injury. In order to be eligible for such military caregiver leave, the employee must be the spouse, son, daughter, parent, or next of kin of the covered servicemember. This 26-week period is not in addition to, but rather is inclusive of, the 12 work weeks of leave that may be taken for other FMLA qualifying reasons. (29 USC 2611, 2612; 29 CFR 825.127)

Covered servicemember may be: (29 CFR 825.127)

1. A current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy; is otherwise in outpatient status; or is otherwise on the temporary disability retired list for a serious injury or illness

2. A veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered veteran
FAMILY CARE AND MEDICAL LEAVE (continued)

Son or daughter of a covered servicemember means the biological, adopted, or foster child, stepchild, legal ward, or a child of any age for whom the covered servicemember stood in loco parentis. (29 CFR 825.127)

Parent of a covered servicemember means the covered servicemember's biological, adopted, step, or foster parent, or any other individual who stood in loco parentis to the covered servicemember (except "parents in law"). (29 CFR 825.127)

Next of kin means the nearest blood relative to the covered servicemember, or as designated in writing by the covered servicemember. (29 USC 2611, 2612)

Outpatient status means the status of a member of the Armed Forces assigned to a military medical treatment facility as an outpatient or a unit established for the purpose of providing command and control of members of the Armed Forces receiving medical care as outpatients. (29 USC 2611; 29 CFR 825.127)

Serious injury or illness means: (29 USC 2611; 29 CFR 825.127)

1. For a current member of the Armed Forces, an injury or illness incurred by the member in the line of duty on active duty, or that existed before the beginning of the member's active duty and was aggravated by the member's service in the line of duty while on active duty in the Armed Forces, and that may render the member medically unfit to perform the duties of the member's office, grade, rank, or rating.

2. For a veteran, an injury or illness incurred or aggravated by the member's service in the line of duty on active duty in the Armed Forces, including the National Guard or Reserves, that manifested itself before or after the member became a veteran and that is at least one of the following:

   a. A continuation of a serious injury or illness incurred or aggravated while the veteran was a member of the Armed Forces and rendered him/her unable to perform the duties of his/her office, grade, rank, or rating

   b. A physical or mental condition for which the veteran has received a U.S. Department of Veterans Affairs (VA) Service-Related Disability Rating of 50 percent or greater, based wholly or partly on that physical or mental condition

   c. A physical or mental condition that substantially impairs the veteran's ability to secure or follow a substantially gainful occupation by reason of one or more disabilities related to his/her military service or that would do so but for treatment received by the veteran
FAMILY CARE AND MEDICAL LEAVE  (continued)

d. An injury, including a psychological injury, on the basis of which the veteran has been enrolled in the VA's Program of Comprehensive Assistance for Family Caregivers

The employee shall provide reasonable and practicable notice of the need for the leave in accordance with the procedures in the section entitled "Request for Leave" above.

An employee requesting leave to care for a covered servicemember with a serious injury or illness shall provide the Superintendent or designee with certification from an authorized health care provider of the servicemember that contains the information specified in 29 CFR 825.310.

The leave may be taken intermittently or on a reduced work or leave schedule when medically necessary. An employee taking military caregiver leave in combination with other leaves pursuant to this administrative regulation shall be entitled to a combined total of 26 work weeks of leave during a single 12-month period. When both spouses work for the district and both wish to take such leave, the spouses are limited to a maximum combined total of 26 work weeks during a single 12-month period. (29 USC 2612)

During the period of military caregiver leave, the district's rule regarding an employee's use of his/her accrued vacation leave and other accrued paid or unpaid time off, as specified in the section "Use/Substitution of Paid Leave" above, shall apply.

Notifications

The Superintendent or designee shall provide the following notifications regarding state and federal law related to PDL or FMLA/CFRA leave:

1. **General Notice:** Information explaining the provisions of the FEHA/PDL and FMLA/CFRA and employee rights and obligations shall be posted in a conspicuous place on district premises, or electronically, and shall be included in employee handbooks. (2 CCR 11049, 11095; 29 USC 2619)

   The general notice shall also explain an employee's obligation to provide the Superintendent or designee with at least 30 days notice of the need for the requested leave, when the need is reasonably foreseeable at least 30 days prior to the start of the leave. (2 CCR 11050, 11091)

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)
2. **Eligibility Notice:** When an employee requests leave, including PDL, or when the Superintendent or designee acquires knowledge that an employee's leave may be for an FMLA/CFRA qualifying reason, the Superintendent or designee shall, within five business days, provide notification to the employee of his/her eligibility to take such leave. (2 CCR 11049, 11091; 29 CFR 825.300)

3. **Rights and Responsibilities Notice:** Each time the eligibility notice is provided to an employee, the Superintendent or designee shall provide written notification explaining the specific expectations and obligations of the employee, including any consequences for a failure to meet those obligations. Such notice shall include, as applicable: (29 CFR 825.300)

   a. A statement that the leave may be designated and counted against the employee's annual FMLA/CFRA leave entitlement and the appropriate 12-month entitlement period, if qualifying

   b. Any requirements for the employee to furnish medical certification of a serious health condition, serious injury or illness, or qualifying exigency arising out of active duty or call to active duty status and the consequences of failing to provide the certification

   c. The employee's right to use paid leave, whether the district will require use of paid leave, conditions related to any use of paid leave, and the employee's entitlement to take unpaid leave if the employee does not meet the conditions for paid leave

   d. Any requirements for the employee to make premium payments necessary to maintain health benefits, the arrangement for making such payments, and the possible consequences of failure to make payments on a timely basis

   e. The employee's status as a "key employee" if applicable, potential consequence that restoration may be denied following the FMLA leave, and explanation of the conditions required for such denial

   f. The employee's right to maintenance of benefits during the leave and restoration to the same or an equivalent job upon return from leave

   g. The employee's potential liability for health insurance premiums paid by the district during the employee's unpaid FMLA leave should the employee not return to service after the leave
FAMILY CARE AND MEDICAL LEAVE  (continued)

Any time the information provided in the above notice changes, the Superintendent or designee shall, within five business days of his/her receipt of an employee's first notice of need for leave, provide the employee with a written notice referencing the prior notice and describing any changes to the notice. (29 CFR 825.300)

4. **Designation Notice:** When the Superintendent or designee has information (e.g., sufficient medical certification) to determine whether the leave qualifies as FMLA/CFRA leave, he/she shall, within five business days, provide written notification designating the leave as FMLA/CFRA qualifying or, if the leave will not be so designated, the reason for that determination. (2 CCR 11091; 29 CFR 825.300)

If the amount of leave needed is known, the notice shall include the number of hours, days, or weeks that will be counted against the employee's FMLA/CFRA entitlement. If it is not possible to provide that number at the time of the designation notice, notification shall be provided of the amount of leave counted against the employee's entitlement upon request by the employee and at least once in every 30-day period if leave was taken in that period. (29 CFR 825.300)

If the district requires paid leave to be used during an otherwise unpaid family care and medical leave, the notice shall so specify. If the district requires an employee to present a release to return to work certification that addresses the employee's ability to perform the essential functions of the job, the notice shall also specify that requirement. (2 CCR 11091, 11097; 29 CFR 825.300)

Any time the information provided in the designation notice changes, the Superintendent or designee shall, within five business days, provide the employee with written notice referencing the prior notice and describing any changes to the notice. (29 CFR 825.300)

**Records**

The Superintendent or designee shall maintain records pertaining to an individual employee's use of family care and medical leave in accordance with law. (Government Code 12946; 29 USC 2616; 42 USC 2000ff-1; 29 CFR 825.500)
