All employees serving in classified positions shall be classified employees. The employees and positions shall be known as the Classified Service.
- B. No person shall be employed outside the Classified Service except those exempt by law or the Commission.

ITEM 3.2 EXEMPTION FROM THE CLASSIFIED SERVICE

Positions required by law to have certification qualifications, part-time playground positions, full-time students employed part-time, apprentices, and professional experts (including architectural and engineering firms) employed on a temporary basis for a specific project by the Governing Board or by the Commission when so designated by the Commission shall be exempt from the Classified Service.

ITEM 3.3 "FULL-TIME" DEFINED

A full-time position is a position which is equal to or greater than eighty seven and one-half percent (87 1/2%) of the normally assigned time when computed on an hourly, daily, weekly, or monthly basis.

ITEM 3.4 "PART-TIME" DEFINED

A part-time position is one for which the assigned time, when computed on an hourly, daily, weekly, or monthly basis is less than eighty seven and one-half percent (87 1/2%) of the normally assigned time of the majority of employees in the classified service.

ITEM 3.5 EFFECT OF EXEMPTION

Any position or employee lawfully exempted from the Classified Service shall be excluded from the benefits and burdens imposed by these rules, except as provided by law or the Board of Trustees.

ITEM 3.6 RESTRICTIVE POSITIONS AND APPOINTMENTS

Where ability to speak, read, or write a language in addition to English or possession of a valid driver's license is required of the position to be filled, appointments may be made from other than the first three ranks.

ITEM 3.7 WEEKEND AND HOLIDAY POSITIONS

All such positions come under the classified service unless exempted by the Personnel Commission.

ITEM 3.8 ASSIGNMENTS OF DUTIES

All personnel, classified and exempt from Classified Service, shall be assigned by the Superintendent and approved by the Board of Trustees.

SECTION 2 GENERAL CLASSIFICATION RULES

ITEM 3.9 GENERAL NATURE OF THE CLASSIFICATION PLAN

The Personnel Commission shall establish and maintain a plan of classification for all positions in the Classified Service. Classes will be placed in groups according to general occupational nature, including the salary rate or range applicable to each class. The Personnel Commission shall decide, when it orders an examination, whether the examination shall be open, promotional, or a combination thereof.

ITEM 3.10 CLASS SPECIFICATIONS

For each class of positions, as initially established or subsequently approved by the Commission, there shall be established and maintained a class specification, which shall include:

- A. The official class title;
- B. A definition of the class, indicating the type of duties and responsibilities and placement within the organizational scheme;
- C. A statement of typical tasks to be performed by persons holding positions allocated to the class;
- D. A statement of the minimum qualifications for service in the class. The minimum qualifications may include education, experience, knowledge, skills, abilities, and personal and physical traits and characteristics;
- E. A statement of distinguishing characteristics which differentiates the class from other related or similar classes; and;
- F. License or other special requirements for employment or service in the class;
- G. Any additional qualifications considered so desirable that any person considered for employment who possesses them may be given additional credit in the evaluation of the qualifications, even though such additional qualifications are not a prerequisite to consideration for employment.

ITEM 3.11 INTERPRETATION OF CLASS SPECIFICATIONS

The class specifications and their various parts are declared to have the following force and effect:

- A. The definition and typical tasks are descriptive and explanatory only and not restrictive. They indicate the kinds of positions that should be allocated to the respective classes or illustrative as to duties, and do not prescribe what these details shall be in respect to any position, and does not exclude others not mentioned.
- B. In determining the class to which any position shall be allocated, the specification for each class is considered as a whole.

- C. Each class specification is construed in its proper relationship to other specifications, particularly those of classes in the same series and group of classes, in such manner as to maintain a proper gradation in the series in which the class is located and proper differentiation within the group of classes.
- D. Qualifications commonly required of the incumbents of all positions, such as physical abilities to meet the essential functions with or without accommodation, honesty, and sobriety, even though not specifically mentioned in the specifications, are implied in the qualification requirements.
- E. The statement of qualification requirements, when considered with other parts of the specification, is to be used as a guide in the announcement and preparation of tests and in the evaluation of the qualification of candidates seeking appointment to positions allocated to the class, but does not require a particular form or content of test or testing procedure.

ITEM 3.12 ALLOCATION OF POSITIONS TO CLASSES

All positions substantially similar as to the duties performed and the responsibilities exercised by the incumbents of such positions and as to their qualification requirements shall be allocated to the same class.

ITEM 3.13 CHANGES IN DUTIES OF POSITIONS

Any substantial changes in the duties of existing positions shall be promptly reported in writing by the immediate supervisor to the Personnel Commission Director, who shall determine whether the positions should be allocated to different classes.

ITEM 3.14 WORKING OUT OF CLASSIFICATION

Classified employees may be required to perform duties out of classification up to and including five (5) consecutive working days.

If a classified employee is required to perform duties out of classification for more than five (5) consecutive working days, the salary will be adjusted upward for the entire period the employee is required to work out of classification.

ITEM 3.15 REVIEW OF CLASSIFICATION

The Personnel Commission Director shall review the duties and responsibilities of classifications as necessary to determine their proper classification and shall cause all classifications to be reviewed at least once every two years. If the Personnel Commission Director finds that a classification should be reclassified, administration will be notified of the findings. If the administration verified the duties of the classification, or if the duties are not revised to fit within the current classification, the Personnel Commission Director shall report the findings and recommendations to the Commission. The Personnel Commission Director shall also report the findings in cases where the review indicates that no change in classification is necessary.

ITEM 3.16 CREATION OF NEW POSITIONS

When the Board creates a new position, it shall submit to the Personnel Commission Director, in writing, the duties to be performed in that position. The Personnel Commission Director shall present recommendations to the Commission which shall:

- A. Classify the position and determine whether the position should be allocated to an existing class or to new class.
- B. Designate the proper salary placement of a new class, if one is established.
- C. Notify the Board of its action.

SECTION 3 RECLASSIFICATION

ITEM 3.17 REQUESTS FOR STUDY

Requests for classification study of existing positions shall be presented to the Personnel Commission Director together with a statement of the reasons for requesting study. Requests for study may be initiated by the administration, with the approval of the Superintendent, or by employees or employee organizations, or by the Personnel Commission Director. All such requests shall be accompanied by a statement of the current authorized duties of the position(s) and any prospective changes.

ITEM 3.18 EFFECTIVE DATE OF RECLASSIFICATION

Reclassification of a position shall become effective on the date prescribed by the Commission and shall not have retroactive effect. Effective dates may be set sufficiently in the future to allow time for examinations to be completed, but for not more than three (3) months.

ITEM 3.19 EFFECTS ON INCUMBENTS

When all of the positions in a class are reclassified to a higher class, the incumbents of the positions who have been in the class for three or more years may be reclassified with their positions by the Personnel Commission. When a portion of the positions within a class are reclassified to a higher class, an incumbent who has a continuous employment record of three (3) or more years in one or more of the positions being reclassified may be reclassified with the position as provided by Personnel Commission rule.

The basis for reclassification of the position must be a gradual accretion of duties and not a sudden change occasioned by a reorganization or the assignment of completely new duties and responsibilities. Determinations as to gradual accretion will be decided by the Personnel Commission.

An employee who has been reclassified with their position shall be ineligible for subsequent reclassification with their position for a period of at least three (3) years from the date of the classification or reclassification.

CHAPTER 4

APPLICATION AND EXAMINATION

SECTION 1 APPLICATION FOR EMPLOYMENT

ITEM 4.1 FILING OF APPLICATION

All applications for employment shall be made upon official forms furnished by the Commission, filled out properly as therein directed and submitted to the Personnel Commission Office on or before the date and time specified in the job opportunity announcement. Applicants applying for more than one job opportunity must submit a separate and complete application for each job opportunity.

ITEM 4.2 GENERAL QUALIFICATIONS OF APPLICANTS

ITEM 4.3 ELIMINATION OF UNQUALIFIED APPLICANTS CANDIDATES AND ELIGIBLES

- B. Advocacy of overthrow of the Government of the United States or the State of California by force, violence, or other unlawful means.
- C. Conviction of any sex offense or controlled substance offense unless such person reverses the conviction and is acquitted in a new trial or the charges are dismissed. In case of conviction, the Board may employ such a person so long as there is evidence to show the person has been rehabilitated for at least five (5) years (Cf. Ed. Code §45123). Over indulgence with any intoxicating substance affecting job performance shall be cause for elimination from consideration under this section.
- D. Intentionally making a false statement or omitting a statement as to any material fact on the application form.
- E. Practicing any deception or fraud in connection with an examination or to secure employment.
- F. Dismissal from a previous employment for cause if the cause would have subjected the applicant to dismissal by the District.
- G. Previous dismissal from this District unless the District waives this subsection.
- H. A record of unsatisfactory service with this District.
- I. Unsatisfactory health conditions which cannot be reasonably accommodated may be subject to health examination.

- J. Applicants dishonorably discharged from the armed forces of the United States.
- K. Failure, after due notice, to report for review of any of the above reasons for rejection.
- L. Unlawful refusal to furnish testimony at a hearing or investigation before the Personnel Commission or Board of Trustees.

ITEM 4.4 REJECTION AND APPEAL FROM REJECTION

- A. Applicants, candidates, and eligibles who are rejected for any of the reasons enumerated in Items 4.1, 4.2, or 4.3 shall be notified in writing by the Personnel Commission Office. The notification shall state:
 - 1. The reasons for rejection.
 - 2. That, within seven calendar days, the individual may appeal to the Personnel Commission Director for administrative review, and that failure to appeal for administrative review makes the rejection final and conclusive.
- B. If there has been an administrative review, as provided above, and the rejection is sustained, the individual shall be given a written notice outlining the reasons for sustaining the rejection.

ITEM 4.5 ACTION WHEN REJECTION IS NOT SUSTAINED

If a rejection is not sustained by the Personnel Commission Director or the Personnel Commission or its agent, the Personnel Commission Director shall institute immediate action to ensure the rights of the applicant, candidate, or eligible as if the rejection had not been made. However, appointments made in the interim shall not be disturbed unless they were fraudulently made.

ITEM 4.6 APPLICATIONS NOT TO BE RETURNED

All applications, examination papers, and supporting documentation are confidential records of the Personnel Commission and shall not be returned to the applicants.

ITEM 4.7 APPLICANTS' NAMES NOT MADE PUBLIC

The names of the applicants or unsuccessful candidates in any examination shall not be made public.

ITEM 4.8 VETERANS' PREFERENCE

- A. "Veteran" as used in this item, means any person who has served in the United States armed forces (United States Air Force, Army, Navy, Marine Corps, or Coast Guard) in time of war, or national emergency declared by the President of the United States of America, and who has been discharged or released under conditions other than dishonorable.

"Disabled veteran" as used in this item, means any "veteran" as defined above, who is currently declared by the United States Veterans' Administration to be ten (10) percent or more disabled as a result of service in the armed forces. Proof of disability shall be deemed conclusive if it is of record in the United States Veterans' Administration.

- B. In the case of all entrance examinations, a "veteran" or "disabled veteran" as defined above, with thirty (30) days or more of service who become eligible for appointment by attaining

the passing mark established for the examination, shall be allowed an additional credit of five (5) points in the case of a "veteran" and an additional credit of ten (10) points in the case of a "disabled veteran." The additional credit shall be added to the percentages attained in the examinations by the veterans.

- C. In order to obtain credit, the applicant shall furnish satisfactory proof of qualifying military service at the time of the examination.
- D. A "veteran" or "disabled veteran" shall be placed on an eligible list and be eligible for appointment in the order and on the basis of the percentages attained by them in examinations after the additional credit of five (5) points or ten (10) points are added. No further adjustments of rank on the list shall be made after proof of qualifying military service is presented.

SECTION 2 EXAMINATIONS

ITEM 4.9 GENERAL PROMOTIONAL EXAMINATION

Examinations shall, where practicable, be limited to promotional applicants, or appointments may be made by transfer, demotion, reinstatement, or reemployment. When no promotional field of competition exists or when there is doubt of its adequacy, the Commission may order an open examination or simultaneous open and promotional examinations. Promotional examinations shall be restricted to permanent classified or certificated employees of the District who meet the minimum qualifications of the classification.

ITEM 4.10 NOTICE OF POSITION OPENINGS AND EXAMINATIONS

Notice of the position opening shall be public and given to employees of the District at least fifteen (15) working days in advance (Cf. Ed. Code §45278). Notice will be provided to employees having indicated an interest in specific positions. The notice shall contain the following:

Competitive examinations for classifications in the Classified Service shall be open to all applicants who meet the minimum qualifications and who are not rejected as provided in Item 4.3.

ITEM 4.12 CHARACTER OF EXAMINATIONS

Examinations shall be administered objectively and shall consist of at least two independent parts. They may be written or oral, or in the form of a practical demonstration of skill and ability, or any combination of these. Any investigation of educational experience, character or identity, and test of technical knowledge, manual skill or physical and mental fitness which, in the judgment of the Personnel Commission, serves this end may be employed.

ITEM 4.13 EXAMINATION PROCEDURES

- A. Competitors must take the examination on the prescribed date and form.
- B. Copies of the questions in an examination shall not be made by competitors or other unauthorized persons.
- C. Where written examinations are required, they shall be so managed that none of the examination papers will disclose the name of any competitor until all papers of all competitors in a given examination have been marked and rated.
- D. Any competitor in any examination who places any identifying mark upon the test papers (other than the identifying mark prescribed at the time of examination) or makes any attempt to disclose to others the identity of their paper prior to the completion of the examination shall be disqualified.
- E. The Personnel Commission may designate examinations for specified classes as continuous examinations for classes of positions which the Commission determines cannot be filled by promotion examinations only.

ITEM 4.14 EXAMINATION WEIGHTING

The relative weights of the different parts of the examination shall be determined by the Commission and set forth in the examination instructions. All examination papers shall be prepared and rated under the direction of the Personnel Commission Director.

ITEM 4.15 RATING REQUIRED

Competitors may be required to attain a designated minimum rating in each part or in combined parts of the examination to qualify for participation in the next succeeding part.

ITEM 4.16 EXAMINATION PROTESTS

- A. At the completion of any examination, as part of the examination procedure, a candidate may protest regarding any specific question or the examination as a whole, stating the basis for such protest.
- B. The Personnel Commission Director shall review and act upon all protests. If protests result in any change, all of the examinations will be reviewed and re-rated accordingly.
- C. The Personnel Commission Director shall inform the protester of the decision within fifteen (15) working days from the time a candidate lodges a protest. If the Personnel Commission Director rules against the protest, the candidate may appeal within five (5) working days to the Personnel Commission by filing a written request for appeal with the Personnel Commission Director. The appeal shall be heard by the Personnel Commission at the next regular or special meeting. The protester is required to appear at the Personnel Commission Appeal Hearing. If the protester fails to appear at the scheduled hearing time, any further rights to appeal are forfeited and the decision of the Personnel Commission Director will stand. Following the appeal hearing, the Personnel Commission will inform the protester of its decision within forty-five (45) calendar days.

ITEM 4.17 EXAMINATION PAPERS

All examination documents submitted by candidates are the property of the Personnel Commission and are confidential records.

ITEM 4.18 SENIORITY - PROMOTIONAL EXAMINATIONS

In promotional examinations only, seniority credit shall be added to the final passing scores of successful candidates in the amount of one-fourth of one point for each year of service, not to exceed a total of five (5) points. Credit shall be granted for time spent in regular status in the classified service and on leave from the classified service while otherwise employed in this District. A full year's credit shall be granted to employees whose regular position is assigned on less than a calendar-year basis. Credits shall be calculated for units of not less than a half year, unless greater accuracy is required in order to break ties in examination scores, and fractions of years shall not normally be counted.

ITEM 4.19 TIES IN EXAMINATION SCORES

Per Education Code 45272(a), the Commission shall place applicants on eligibility lists in the order of their relative merit as determined by competitive examinations. The final scores of candidates shall be rounded to the nearest whole percent for all eligibles. All eligibles with the same percentage score will be considered as having the same rank. Appointments shall be made from the eligibles having the first three ranks on the list who are ready and willing to accept the position.

ITEM 4.20 QUALIFICATIONS APPRAISAL INTERVIEW

- A. If an examination includes a Qualifications Appraisal Interview (QAI), those candidates eligible for the QAI will be examined at the earliest practicable date after conclusion and rating of the earlier tests.
- B. A QAI board will consist of at least two persons, at least one of whom shall be technically qualified to interview for knowledge in the area of the classification being tested for.
- C. Whenever possible, classified employees of the District shall not serve on an oral board. The Personnel Commission Director may designate a District employee as a member of an oral board. However, under no circumstances shall a direct supervisor of a successful competitor be designated as an oral examiner.
- D. A candidate may appeal a QAI rating to the Personnel Commission Director. If rejected, the candidate may appeal to the Commission at any time after notification of the final score, but within ten (10) days after establishment of the eligibility list. The Commission may alter the QAI rating if it finds justification for the protest and order the candidate's examination score adjusted accordingly. No change in an eligibility list shall invalidate any appointment which was made prior to the ordered adjustment unless the appointee was fraudulently appointed.
- E. All Qualifications Appraisal Interviews shall be electronically recorded.

ITEM 4.21 REVIEW OF EXAMINATIONS

After the examinations have been corrected and the candidates have been rated, each candidate shall be notified of the grade, the date/time and location at which the examination papers may be reviewed. No candidate may copy or remove from the review room any questions or answers.

CHAPTER 5

EMPLOYMENT LISTS

SECTION 1 ELIGIBILITY LISTS

ITEM 5.1 ESTABLISHMENT AND LIFE OF ELIGIBILITY LISTS

- A. After an examination, the names of successful candidates shall be arranged on a list in the order of examination score, plus additional points where applicable. The completed list constitutes an eligibility list for that class. The Personnel Commission Director shall be responsible for establishing and certifying eligibility lists as a result of examinations authorized by these rules. Pertinent examination data for establishment of the list shall be presented for approval or ratification of the Personnel Commission at the next regular meeting.
- B. An approved eligibility list shall be in effect for one year, unless exhausted, and may be extended, but not to exceed two (2) six-month extensions at the discretion of the Commission. Names of successful competitors may be added to eligibility lists resulting from continuous examinations with approval of the Commission.
- C. It shall be the responsibility of eligibles to notify the School District of their continued availability and current address every ninety (90) days.

ITEM 5.2 REEMPLOYMENT LISTS

- A. There shall be established for each class a reemployment list which shall take precedence over all other employment lists in appointment. This list shall contain the names in order of seniority of all permanent classified service employees who have been laid off or demoted from any position because of lack of work or lack of funds. Employees who acquire leaves of absence for military reasons and those who are ordered, pursuant to the laws of the United States, to serve in any civilian war effort or war industry, shall take precedence by having their names placed over other names on the reemployment list in any given class.
- B. All other factors being equal, a returning employee not on leave shall be entitled to first consideration for any vacant position for which the candidate is qualified. Employees returning to the employment of the District within thirty-nine (39) months after separation are entitled to all rights and benefits of employment which had accrued to them at the time of their leaving. This shall include step status on the salary schedule and accumulated sick leave.

ITEM 5.3 TERMINATION OF ELIGIBILITY LISTS

- A. An eligibility list is automatically terminated one year from the date of its approval unless previously extended by the Commission.
- B. An extended eligibility list is automatically terminated two (2) years after its initial approval.

- C. An eligibility list may be terminated by the Commission when no eligible is available for appointment to a specific permanent position in a class or when there are fewer than three (3) eligibles remaining on the list.

ITEM 5.4 CONSOLIDATION OF ELIGIBILITY LISTS

- A. If a new examination for a class is given during the first year of the life of the existing list and the examination is sufficiently similar to the previous examination to ensure the comparability of the scores of the eligibles, then the new list shall be merged with the existing list with the eligibles ranked in the order of examination score, plus additional points where applicable. Promotional lists shall be merged only with promotional lists except that, where "dual certification" applies, open and promotional lists shall be merged for certification.
- B. When lists are consolidated under this rule, the earlier list shall be terminated one year after its establishment, and those eligibles' names shall be removed from the consolidated list unless the earlier list is extended by the Commission.

ITEM 5.5 ELIGIBILITY AFTER APPOINTMENT

An eligibility list shall be used for full-time, part-time, regular, and limited-term assignments in the class. An eligible who accepts part-time employment shall continue to be eligible for full-time employment, and an eligible who accepts limited-term employment shall continue to be eligible for regular appointment.

ITEM 5.6 REMOVAL OF NAMES FROM ELIGIBILITY LISTS

The name of an eligible may be removed from an eligibility list by action of the Commission for any of the following reasons:

- A. A written request by the eligible for removal.
- B. Failure to respond to a written inquiry regarding availability for employment.
- C. Waiver of two offers of regular appointment.
- D. Failure to report for duty at the time agreed upon after having accepted an appointment.
- E. Any of the causes listed in Item 4.3 Elimination of Unqualified Applicants Candidates and Eligibles.

SECTION 2 CERTIFICATION FROM EMPLOYMENT LISTS

ITEM 5.7 ORDER OF PRECEDENCE

Names shall be certified for appointment from employment lists in the following sequence:

- A. Reemployment list (one name required).
- B. Promotional Eligibility List (three names required).
- C. Open Eligibility List (three names required).

ITEM 5.8 DUAL CERTIFICATION

When the same examination is held on a competitive or promotional basis to provide a list of eligibles for any class which has fewer than three eligible names on the list, the Commission may, prior to the examination, authorize dual certification from the resultant eligibility lists. Thus, the three ranks certified which have the highest examination scores, including veterans' credit and seniority credit (for promotional eligibles) shall be the first certified.

ITEM 5.9 PROCEDURE WHEN FEWER THAN THREE RANKS REMAIN

- A. When fewer than three eligibles are available on the promotional list, sufficient names shall be certified from the open list to allow a choice among three eligibles.
- B. When fewer than three eligibles are available for certification, the available eligibles shall be certified; however, the Board of Trustees may choose not to appoint any of them and may request a new examination.

ITEM 5.10 REDUCTION IN ELIGIBILITY

A reduction in eligibility from a higher class to a lower class may be granted only when two classes are in the same line of promotion. A person granted a reduction in eligibility shall have their name removed from the eligibility list for the higher class and placed among the top three ranks of the eligibility list for the lower class.

ITEM 5.11 OTHER SOURCES OF ELIGIBILITY

- A. When a position is to be filled, the District shall notify the Personnel Commission Director of that fact and of the date of the anticipated need. The request for certification shall state the class, title, hours and location of employment, and other pertinent information as required by the Personnel Commission Director.
- B. The Personnel Commission Director shall ascertain the availability of eligibles and shall certify names to the District's hiring authority in accordance with these rules.
- C. The District's hiring authority shall make its selection and shall notify the Personnel Commission Director, who shall see that the necessary employment procedures are carried out.

ITEM 5.12 WAIVERS OF CERTIFICATION

- A. An eligible may waive certification to specific locations or shifts, and to part-time or full-time positions, and to limited-term or permanent positions by written notification.
- B. Certification of eligibles who have waived shall not be made, provided that eligibles may revise or withdraw their waivers in writing.
- C. Eligibles who have waived appointment shall be notified when a new examination for the class is to be held.

ITEM 5.13 REFUSALS OF APPOINTMENT

An eligible may refuse appointment to a specific position and retain eligibility, provided that refusal of two offers of appointment or certification within the areas of employment not waived may be cause for removal from the eligibility list. Such action may be appealed in accordance with Item 5.15 and 5.16.

ITEM 5.14 CERTIFICATION FROM LIST FOR ANOTHER CLASS

If there is no eligibility list for the class in which the vacancy occurs, certification may be made from a list for another class at the same or a higher level if the duties and responsibilities of the class for which the examination was given include substantially all of the duties of the position to be filled, provided that the Personnel Commission finds that the use of the list is in the best interest of the District and that the necessary skills and knowledge were adequately tested in the examination.

ITEM 5.15 WITHHOLDING NAMES FROM CERTIFICATION

The name of an eligible may be withheld from certification for the following reasons:

- A. Unwillingness or inability to accept appointment is expressed.
- B. Failure to respond within three (3) business days following the notification regarding availability for permanent employment or request to appear for interview regarding such employment.
- C. Failure to present the license, registration, certificate or any other credential required. (The name of any such eligible shall be restored by the Personnel Commission Director for certification when the particular requirement has been met.)
- D. Any reason listed in Item 4.3.

ITEM 5.16 RESTORATION TO CERTIFICATION

When the name of a person has been withheld from an eligibility list or from certification or has been removed from the list, it may be placed on such list or restored thereto by the Personnel Commission under the following circumstances:

- A. When the withholding or removal was because of the waiver or inability of the eligible to accept employment, or failure to respond to inquiry as to availability to appear for interview, or to report for duty, and the candidate presents good cause and certifies to the Personnel Commission.
- B. When the withholding or removal was for a reason stated in Item 5.15, and such action was improper or the defect has since been corrected, revisions and withdrawals of voluntary waivers shall not require approval by the Commission.

ITEM 5.17 DUTIES OF ELIGIBLE

- A. It shall be the duty of every eligible to respond promptly after receiving the notice of certification. The eligible shall respond within three (3) calendar days after the date of the notice. If the notice is mailed, then the eligible must respond within three (3) calendar days plus five (5) calendar days for mailing. Failure of an eligible to respond within the above-

stated times will be deemed an automatic waiver of certification, and the Personnel Commission Director may certify an additional name in lieu of the name of such eligible.

- B. The District shall determine the effective date of employment. However, an eligible who has been certified may be allowed two (2) weeks to report for duty after an offer of appointment to a permanent position has been made. If the eligible is unable or unwilling to report by the end of two (2) weeks, the eligible may be considered to have refused appointment; and the District's hiring authority may request certification of another name from the eligibility or reemployment lists.
 - 1. The date of the offer of appointment shall be the date on which the eligible is notified by the Personnel Commission Director of the selection.
 - 2. Notification may be made by telephone, mail, or e-mail.
 - 3. The District may allow a period longer than two (2) weeks.

In the latter cases, the employee will have the same appeal rights as a permanent employee who is demoted or dismissed.

- F. Transfers shall have the following effects on seniority:
 - 1. Within the same classification - none.
 - 2. From one classification to another - the employee shall not receive seniority credit in the new classification for service in other classifications; however, such credit as seniority in the classified service shall be retained.

- B. An employee who has taken a voluntary demotion may be restored by the Board of Trustees to the former classification or to a related lower classification, as determined by the Commission, within thirty-nine (39) months. The employee who has been employed the shortest time in the classification plus higher classes, shall be considered to have the least seniority, and, therefore, shall be laid off first.
- B. The names of permanent and probationary employees thus laid off shall be placed upon the reemployment list for the classification from which they were laid off. Names on the reemployment list shall be in the relative order of seniority.

ITEM 6.25 LIMITED-TERM POSITIONS

- A. No regular employee shall be laid off from any position while employees under limited-term appointment are retained in positions of the same classification in the same organizational unit unless the regular employee declines the limited-term position.

During the thirty-nine (39) months, if the employee is able to assume the duties of the position, the employee shall be employed in the first vacancy in the classification of the previous assignment. The reemployment will take preference over all other applicants except those laid off for lack of work or funds. Upon reemployment, the break in service will be disregarded and the employee shall be fully restored as permanent. Such time lost shall not be considered a break in service.
- M. When an employee is absent twenty (20) days or more, the employee is required to notify the District three (3) days in advance of the return to work date.
- N. Any classified employee who has been employed for one calendar year or more in another school district and who terminates such employment for the sole purpose of accepting a position in the Palmdale School District within thirty (30) days of terminating in the former school district, shall transfer the total amount of sick leave earned in the other district.

ITEM 8.3 INDUSTRIAL ACCIDENT OR INDUSTRIAL ILLNESS LEAVE

- A. Leaves resulting from accepted industrial accident or illness claims shall be granted to the employees of the classified service. Leave benefits apply to claims accepted under Workers' Compensation Law.
- B. Allowable leave shall not exceed sixty (60) working days in any one fiscal year for the same accident or illness.
- C. Allowable leave shall not be cumulative from year to year.
- D. Industrial accident or illness leave will commence on the first day of absence.

- E. Payments for wages lost on any day shall not, when added to an award granted the employee under the Workers' Compensation laws of this state, exceed the normal wage for the day.
- F. The sixty (60) day industrial accident or illness leave shall be reduced by one day for each day of authorized absence, regardless of a compensation award made under Workers' Compensation.
- G. When an industrial accident or illness occurs at a time when the full sixty (60) days will overlap into the next fiscal year, the employee shall be entitled to only that amount remaining at the end of the fiscal year, in which the injury or illness occurred, for the same injury or illness.
- H. When an industrial accident or illness occurs, the employee shall use the industrial accident or illness entitlement rather than use sick leave upon acceptance of the Workers' Compensation claim. When entitlement to industrial accident or illness leave has been exhausted, entitlement to other sick leave (which could include 100 half days or other benefits as provided by Ed Code) will then be used. However, if an employee is receiving Workers' Compensation, the employee shall be entitled to use only so much of the accumulated or available sick leave, accumulated compensatory time, vacation or other available leave which, when added to the Workers' Compensation award, provides for a full day's wage or salary.
- I. Periods of leave of absence, paid or unpaid, shall not be considered to be a break in service of the employee.
- J. During all paid leaves of absence for industrial accident or illness, the employee shall endorse to the District wage loss benefit checks received under Workers' Compensation laws of the state. The District shall issue appropriate warrants for payment of wages or salary and shall deduct normal retirement and other authorized contributions.
- K. When all available leaves of absence, paid or unpaid, have been exhausted, and the employee is not medically able to return to work, the employee shall be placed on a reemployment list for a period of thirty-nine (39) months. When available, during the thirty-nine (39) months, the employee shall be employed in a vacant position in the classification of previous assignment over all other available candidates except for a re-employment list established because of lack of work or funds, in which employees shall be listed in accordance with the appropriate seniority regulations.
- L. All employees receiving benefits as a result of this section shall, during periods of injury or illness, remain within the State of California, unless the Governing Board authorizes travel outside the State.
- M. An employee who has been placed on a reemployment list, as provided herein, who has been medically released for return to work and who fails to accept an appropriate assignment, shall be dismissed.
- N. The Board of Trustees, or its designated representative, shall determine if the injury was arising out of or in the course of employment.

- O. Final allowance for permanent industrial disability settlements shall not be subject to remittance to the District.
- P. A permanent employee's regular salary is computed on the basis of the number of hours and days in the basic assignment. An employee who is not permanent shall have the regular salary computed on the basis of the average number of hours worked each month in which the employee was in a paid status during the preceding year.

ITEM 8.4 LEAVE OF ABSENCE FOR PREGNANCY

- A. Leave of absence for pregnancy or maternity leave is applicable to classified employees.
- B. It is the employee's responsibility to notify the District, through her supervisor, within a reasonable length of time after becoming aware of her pregnancy.
- C. Accumulated sick leave may be used by female unit members for maternity leave. The length of pregnancy leave, the date of commencement thereof, and the date of resumption of duties shall be determined by the unit member and her physician. The unit member must apply, in writing on the appropriate District form, for permission to use accumulated sick leave for maternity leave. This application must be accompanied by a letter from her attending physician stating the beginning and ending dates of pregnancy leave. Before the unit member can return to her assignment, a statement from her physician that her health is sufficient for return to work must be received by the Human Resources office.
- D. When, during the pregnancy, the employee elects to stop work, as confirmed by medical documentation, she then will be placed on an unpaid leave of absence. With Board or designee approval, she may elect to use all accumulated vacation, compensatory time, or other available paid leave or any combination thereof.
- E. At least three (3) days prior to her expected return to work, the employee shall notify her supervisor in order that any substitute employee may be terminated. If the employee fails to notify her supervisor and both the employee and the substitute report, the substitute is entitled to the assignment, and the employee shall be docked another day of leave.
- F. An employee who has exhausted all vacation, compensatory over-time, or other available paid leave and who is absent because of pregnancy may be granted additional unpaid leave, not to exceed six (6) months. The Board or its designee may renew the leave of absence for two (2) additional six (6) month periods, but not to exceed a total of eighteen (18) months.
- G. At the conclusion of all leaves of absence, if the employee is still unable to return to work, she shall be placed on a reemployment list for a period of thirty-nine (39) months. During the thirty-nine (39) months, if the employee is able to assume the duties of her position, she shall be employed in the first vacancy in the classification of her previous assignment. Her reemployment will take preference over all other applicants except those laid off for lack of work or funds. Upon resumption of her duties, the break in service will be disregarded and she shall be fully restored as a permanent employee. Such time lost shall not be considered a break in service.
- H. Before returning to work after taking a leave of absence for pregnancy, the employee must furnish the District with a written statement from her physician stating that she is capable of performing her duties and, is able to return to work.

ITEM 8.5 BEREAVEMENT LEAVE

- A. Every person employed in the classified service shall be granted necessary leave of absence, not to exceed three (3) days, or five (5) days if out-of-state travel is required, on account of the death of any member of the immediate family. Members of the immediate family as defined by Education Code 45194, include: mother, father, grandmother, or grandfather of the employee or of the spouse (or domestic partner registered with a recognized governmental agency) of the employee, and the spouse (or domestic partner registered with a recognized governmental agency), son, son-in-law, daughter, daughter-in-law, brother, or sister of the employee, grandchild of the employee or of the spouse of the employee, or any relative living in the immediate household of the employee.

- C. Military leave of absence without pay may be granted to any permanent classified employee for service with the Peace Corps for a period not to exceed two (2) years.
- D. The granting of a leave of absence without pay gives to the employee the right to return to the previously held position at the expiration of the leave of absence, provided that the employee is physically and legally capable of performing the duties. The position may be filled only for the duration of the leave, and the employee so assigned must be reassigned upon completion of the leave. If there is not an available position for the employee who was employed for the duration of the leave, the employee shall be placed on a reemployment list for that classification effective the end date of termination of the leave or release date from the military. The employee may be returned to a vacant position in a classification at the same or a lower salary level for which the employee is qualified.
- E. When a military leave of absence is granted, sick leave and vacation privileges will not continue to accrue. The employee, however, will not lose such vacation or sick leave privilege as had accrued up to the time of taking the leave of absence.
- F. An employee shall make a written request to the Governing Board or its designee to return to work prior to the expiration date of the leave. The Governing Board may approve or reject the request.
- G. Failure to report for duty within five (5) working days after a leave has expired shall be considered abandonment of the position and the employee may be terminated by the Board of Trustees. The termination may be appealed to the Personnel Commission in the same manner as any other dismissal for cause.

- H. If the employee's position has been abolished during the employee's absence, the employee shall be laid off for lack of work or funds and placed on the reemployment list for the classification, effective the date of termination of leave. The employee may be returned to a vacant position in a classification at the same or a lower salary range for which the employee is qualified.

ITEM 8.7 JURY DUTY AND WITNESS LEAVE

- A. Leave of absence for jury service shall be granted to any classified employee who has been officially summoned to jury duty in local, State, or Federal Court. Leave shall be granted for the period of the jury service. The employee shall receive full pay while on leave provided that the jury service fee for such leave is assigned to and the subpoena or court certification is filed with the District. Request for jury service leave should be made by presenting the official court summons to jury service to the immediate supervisor.
- B. Leave of absence to serve as a witness in a court case shall be granted an employee when served a subpoena to appear as a witness, or as the litigant in the case. The length of the leave granted shall be for the number of days in attendance in court as certified by the clerk or other authorized officer of the court. The employee shall receive full pay during the leave period, provided that the witness fee for such leave is assigned to and the subpoena or court certification is filed with the District. Request for leave of absence to serve as a witness or as a juror should be made by presenting the official court summons to the immediate supervisor. The employee may elect to keep fees and have an equal amount deducted from the employee pay.
- C. The jury service fee and witness fee referred to in "A" and "B", respectively, do not include reimbursement for transportation expenses.
- D. An employee who has received leave of absence under this rule shall be available for work during hours when not required in court.

 - a. Employees with a record of service in the District of less than five (5) years are eligible to request, for cause, a leave of absence for a period of time

not to exceed two (2) calendar months. Employees with a record of service in the District of more than five (5) years are eligible to request, for cause, a leave of absence for a period of time not to exceed four (4) calendar months. Each individual request will be judged on its own merit.

2. The granting of a leave of absence without pay gives to the employee the right to return to the position at the expiration of the leave of absence, provided that the employee is physically and legally capable of performing the duties. The position may be filled only for the duration of the leave, and the employee so assigned must be reassigned upon completion of the leave. When a leave of absence is granted, sick leave and vacation privileges will not continue to accrue. The employee, however, will not lose such vacation or sick leave privileges accrued up to the time of taking the leave of absence.
- B. For good cause, the Governing Board may cancel any leave of absence by giving the absent employee due notification by certified mail. The employee may appeal the cancellation to the Personnel Commission, which shall investigate and hear the appeal. The appeal by the employee will stay the cancellation directive of the Governing Board until action by the Personnel Commission, which shall be final and binding.
 - C. An employee shall make a written request to the Governing Board or its designee, to return to work prior to the expiration date of the leave. The Governing Board may approve or reject the request.
 - D. Failure to report for duty within five (5) working days after written notification via certified mail or witnessed oral notification that a leave has been canceled or has expired shall be considered abandonment of the position and the Board of Trustees may terminate the employee. The termination may be appealed to the Personnel Commission in the same manner as any other dismissal for cause.
 - E. If the employee's position has been abolished during the employee's absence, the employee shall be laid off for lack of work or funds and placed on the reemployment list for the classification, effective the date of termination of leave. The employee may be returned to a vacant position in a classification at the same or a lower salary range for which the employee is qualified.
 - F. When an employee elects to be absent for any reason other than sick, or for a period of time not covered by a leave of absence requested and granted, the employee automatically relinquishes all rights to the position formerly held.

ITEM 8.10 LEAVE TO SERVE IN AN EXEMPT, TEMPORARY, OR LIMITED-TERM POSITION

- A. Any permanent classified employee who accepts an assignment within the District to an exempt, temporary, or limited-term position shall, during such assignment, be considered as serving in the regular position, and such assignment shall not be considered separation from service.
- B. The employee may, with the approval of the appointing authority, voluntarily elect to return to the classification of permanent status prior to the completion of service in an exempt, temporary, or limited-term position. Failure to complete the required service, unless

approved as specified herein, will constitute abandonment of position and may be grounds for disciplinary action by the appointing authority.

ITEM 8.11 LEAVE OF ABSENCE FOR RETRAINING

- C. The employee shall be considered a permanent employee for all purposes during the period of the retraining program and shall receive the normal compensation and benefits. The Board may prescribe duties, if any, to be performed by the employee on behalf of the District during retraining leave.
- D. The Board shall provide for reasonable expenses necessary for the prescribed retraining, but may recover costs from the employee if the employee fails to complete the prescribed retraining program, and serve the District for at least two (2) years after completion of retraining.
- E. The Board may establish retraining programs for purposes other than outlined in this rule and grant leaves of absence for retraining except that the three (3) year service requirement shall prevail. Such programs must be endorsed by the Commission and must be available to all qualified employees of the District except that approval for such leave shall be discretionary with the Governing Board.

ITEM 8.12 USE OF SICK LEAVE FOR PERSONAL NECESSITY

- A. Any accrued days of sick leave may be used by the employee, in cases of personal necessity, which includes the following:
 - 1. Death of a member of the immediate family when additional leave is required beyond the three (3) or five (5) days provided under Bereavement Leave.

- A. Employees in the classified service shall not be suspended, demoted, dismissed, or in any way discriminated against because of political or religious acts or opinions, race, color, sex or marital status.
- B. When a regular employee is to be suspended, demoted or dismissed, specific written charges shall be prepared by the administration, and presented for approval or rejection by the Governing Board. The charges must be such that the employee will know the complaints, and thereby be able to respond to them.
- C. When formal disciplinary action has been approved by the Governing Board, the action and the charges shall be reported within 10 days to the Personnel Commission Director, who shall notify the employee of appeal rights and report the action to the Commission at its next regular meeting.
- D. Notice to the employee shall include a copy of the charges and a statement of the right to appeal, if any, together with a copy of rules governing appeal and hearing procedures.
- E. Notwithstanding the procedures prescribed above, an employee may be suspended prior to Board approval at the discretion of the administration subject to later ratification by the Board within two weeks. Requirements in regard to charges and notifications must be met when the Board ratifies the administrative action.
- F. A regular employee charged with the commission of any sex offense (as defined in Section 44010 of the Education Code by complaint, information or indictment filed in a court of competent jurisdiction) may be suspended as provided for in Section 44940 of the Education Code. Such a suspension will be processed as an involuntary personal leave in accordance with the provisions of this rule relative to suspensions. The employee may receive compensation as provided for in the Code Section. Such suspension shall be reviewed by the Personnel Commission every forty-five (45) calendar days.
- G. Dismissal shall cause removal of the employee's name from all employment lists.
- H. Failure to appeal, as provided below, shall make the action of the Governing Board final and conclusive.

ITEM 9.2 APPEAL

- A. A permanent employee who has been suspended, demoted, or dismissed may appeal to the Personnel Commission within fourteen (14) calendar days after receipt of a copy of the Board-approved charges and appeal rights. Receipt is assumed five (5) days after the delivery postmark. Appeal can be made only on the following grounds:
 - 1. That the procedures set forth in these rules have not been followed.
 - 2. That the removal was made because of political or religious acts or opinions, race, color, sex or marital status.
 - 3. That there has been abuse of discretion.

 - 1. Postmark of mailing agency five (5) calendar days prior to due date, or
 - 2. Date/time stamp at Personnel Commission Office during open hours, or
 - 3. Original or electronic signature of Personnel Commission staff.

ITEM 9.3 HEARING PROCEDURE

- A. The Personnel Commission may conduct hearings of appeals or may appoint a hearing officer to conduct the hearing and report findings and recommendations to the Commission. If the Personnel Commission orders a hearing, said hearing shall be held in closed session. The employee shall be given written notice of the right to have the complaints or charges heard in an open session rather than closed session pursuant to Government Code section 54957. The notice shall be delivered to the employee personally or by mail at least twenty-four (24) hours before the time for holding the closed session.
- B. Hearings shall be conducted in the manner most conducive to determination of the truth, and neither the Commission nor its hearing officer shall be bound by technical rules of evidence. Decisions made by the Commission shall not be invalidated by any informality in the proceedings.
- C. The Personnel Commission or its hearing officer shall determine the relevancy, weight, and credibility of testimony and evidence. It shall base its findings on the preponderance of evidence.
- D. Each side will be permitted an opening statement (District first) and closing arguments (employee first). The District shall first present witnesses and evidence to sustain the charges and the employee will then present witnesses and evidence in defense.
- E. Each side will be allowed to examine and cross-examine witnesses.

- F. Both the District and the employee must present their appeal case. The employee may provide their own legal counsel or any other designated person (at their own expense), and/or be provided Union representation. If Union representation is accepted by the employee, the Union must notify the Personnel Commission Director of the Union representatives representing the employee within 14 calendar days of the appeal hearing to assure that Union representatives are released from their District duties to attend the appeal hearing. The maximum number of persons representing each side is three. The employee must attend the appeal hearing, even if the employee's representatives appear on their behalf. If the employee fails to appear, the employee will be deemed to have forfeited all rights to further appeal and the Personnel Commission shall sustain the Board's disciplinary action.
- G. The Commission may, (and shall, if requested by the District or the employee) subpoena witnesses and/or require the production of records or other material evidence. Witness lists must be provided to the Personnel Commission Director two (2) calendar weeks prior to the appeal hearing.
- H. The Commission may, prior to or during a hearing, grant a continuance for any reason it believes to be important to reaching a fair and proper decision.
- I. Whether the hearing is held in a public or Executive Session, the Commission, after it concludes the hearing, may deliberate in Executive Session. Only Commissioners, appointed counsel, and the Director of the Personnel Commission shall be permitted to participate in the deliberations. The Personnel Commission Director or any Personnel Commission staff shall be barred from the Commission's final deliberations if served in the proceedings as a substantial witness.
- J. The Commission shall render its judgment in an open session at the next month's regularly scheduled Personnel Commission meeting.
- K. The Commission may sustain or reject any or all of the charges filed against the employee. It may sustain, reject, or modify the disciplinary action invoked against the employee. It may not provide for discipline more stringent than that invoked by the Board.
- L. The Commission order of judgment will be filed with the Governing Board and the charged employee and shall set forth its findings and decision. If a dismissal is not sustained, its order shall set forth the effective date the employee is to be reinstated which may be any time on or after the date of disciplinary action.

ITEM 9.4 UNLAWFUL TO STRIKE OR ENGAGE IN OTHER CONCERTED LABOR ACTIVITIES

- A. Government Code Section 3549 specifically provides: "The enactment of this Article shall not be construed as making the provisions of Section 923 of the Labor Code applicable to public school employees." This section means that public school employees may not strike against the District, nor may they engage in other related types of activities in order to attempt to resolve grievances or differences.
- B. Any employee or groups of employees, either by their own initiative or through an employee organization, leaving their duty assignment or refusing to perform or failing to report to duty

as a result of a strike or other concerted labor activities may be considered as having abandoned their positions. If dismissed, participating employees shall not be eligible for reinstatement or subsequent employment with the District. The Board may bring charges against any employee or employees for abandonment of position under this rule.

- C. Any classified employee who is absent from duty for any reason during the period of an unlawful strike, sit-down, a slowdown or other concerted activities shall be required to provide proper evidence that the absence was lawful and in no way an effort on the employee's part to further the strike or concerted activity.

Such leave is required if the employee is a candidate for election to the Governing Board.

ITEM 9.9 INTENT

It is the Commission's intent and purpose in enacting these rules to allow employees their lawful privilege of political freedom and activity, but to ensure that political activities are not engaged in during normal duty hours and normal duty assignments. The District has a reasonable obligation to make certain that personnel are aware of their political rights and can exercise those rights, but at the same time, to ensure that its employees do not wrongfully use their duty hours or District facilities for political purposes.

2. The criminal records report from the California Bureau of Criminal Identification and Investigation and/or the Federal Bureau of Investigation will be reviewed together with the person's application form. If there is a job-related criminal record, the Board of Trustees or designee shall decide whether or not the person should be employed or retained in employment in accordance with the Education Code sections governing employment of persons who have been convicted of specified offenses.
3. If an employee is to be dismissed because of information disclosed on the criminal records report or if the Board of Trustees, or designee, desires that an eligible be removed from an eligibility list because of such information, the Personnel Commission shall be notified of the recommended action and the reasons therefore.
