Manzanita Elementary is excited to continue to expand our Dual Immersion program. Currently, the program runs from kindergarten through fourth grade. Next year, the plan is to add a fifth-grade program. In the Dual Immersion program, students are taught 50% first language in Spanish and 50% first language in English. Students are expected to read, write, and speak in both English and Spanish and have high academic achievement in both languages. At Manzanita, we are proud to offer the Dual Immersion program.

Grade K-1

Desert Rose began Dual Immersion last year in Kindergarten and are excited to start 1st grade this year! Our students have excelled in all subject matters and were one of the highest performing groups of students in Math in the District! During our Distance Learning Program, we continued to teach the program providing zoom lessons to all of our students. We had a high turnout of students joining daily online. We are fortunate to have two amazing teachers Mrs. Lewis and Mrs. Rodriguez. Our first Grade Dual Teachers will be Miss Sprague and Miss Perez! Looking forward to another great year with your children!

REASONS TO ENROLL IN A DUAL LANGUAGE PROGRAM

- To acquire a second language
- To have a greater capacity for listening
- To think more creatively and analytically
- To develop better communication skills
- To express enthusiasm and have an aptitude for problem solving
- To have a greater awareness of self and others
- To gain insights into other cultures
- To take advantage of the optimal time to learn a language and develop an appreciation and understanding of diverse cultures, peoples, and perspectives in the world
- Enhance levels of meta-linguistic awareness, which has been proven important to reading acquisition
- Improved performances verses monolingual students on tasks that call for divergent thinking, pattern recognition, and problem solving.
- Greater understanding, tolerance, appreciation and respect for other languages and cultures.
- Ability to communicate with other ethnic and cultural groups.
- Enhanced employment opportunities once school is completed.

Steam Emphasis

Los Amigos Dual Immersion with STEAM emphasis prides itself on being one of the highest performing K-8 schools in the Palmdale School District. The implementation of a Dual Language program is proof that learning two languages provides students with the skills needed to achieve and be successful not through high school, but beyond. Knowing two languages will provide students with more future opportunities. We are also WASC certified. Los Amigos also has a STEAM emphasis, which provides our students with many other opportunities including Robotics, Project Lead the Way and Mariachi. Our Biliteracy Program provides students with the opportunity to attain the Pathway to Biliteracy award. We also have an award winning ASB club, sports programs, which include, volleyball, basketball and soccer. Go Dragons!
