

HOW TO APPLY

Eligible households must **both apply for the program and contact a participating provider to select a service plan.**

There are three ways for eligible households to apply:

1. **Contact a participating broadband provider** directly to learn about their application process. If you are unable to apply through them directly, you will have to apply using option 2 or 3 below, and then contact a participating provider to select an eligible plan.
2. **Go to [GetEmergencyBroadband.org](https://www.getemergencybroadband.org)** to apply online and to find participating providers near you. After you apply, you will have to contact a participating provider to select an eligible plan.
3. **Call 833-511-0311 for a mail-in application or print a copy**, and return it along with copies of documents showing proof of eligibility to:

Emergency Broadband Support Center
P.O. Box 7081
London, KY 40742

After you received a notice that you have qualified for the program, households must contact a participating provider to select an Emergency Broadband Benefit eligible service plan.
