

- (3) Measures to optimize infection control
- (4) Communication with employees, students and families of students and the public
- (5) Measures to ensure equitable access to critical services.

These five key areas contain numerous strategies that your school may choose to implement as your facility develops a plan to provide a safe environment for all employees, students, and visitors. Although some preventive and protective measures are currently required in all schools and are clearly indicated as such in the following protocol, most measures are optional and voluntary. Nevertheless, it is still appropriate for schools to implement multiple layers of COVID-19 mitigation strategies while fully re-opening to limit cases and transmission on the school campus. All measures in the associated [School Exposure Management Plan](#) must be implemented and are applicable to all on-site personnel. Additional resources for K-12 Schools can be found in the [TK-12 School COVID-19 Toolkit](#).

General Reopening Guidance for All Schools

At this time, all schools are permitted to reopen for all students in any grades TK – 12.

Schools that have not yet reopened or not reopened fully and are planning to implement full in person instruction for the first time during the Summer or Fall of 2021 should refer to the [LACDPH Safe Schools for All](#) site for complete instructions on the reopening process and documents to complete.

Note for child care programs located in schools. LEAs and schools that offer day care services for children on school campuses should refer to DPH [Guidance for ECE Providers](#).

TK to Grade 12 Reopening Checklist

Institution name: Shadow Hills Engineering & Design Academy
 Address: 37315 60th St. East, Palmdale, Ca
 Maximum Occupancy, per Fire Code: 1824
