# SAGE Magnet Academy - Space Aeronautics Gateway to Exploration Academy 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year) 

## General Information about the School Accountability Report Card (SARC)

## SARC Overview

## California School Dashboard

## Internet Access

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest// that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

> The California School Dashboard (Dashboard)
> https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

Space and Aeronautics Gateway to Exploration, S.A.G.E., Magnet Academy Middle School is located in Palmdale, one of many cities that are members of the Antelope Valley's rich history in space and aeronautics. S.A.G.E. Magnet Academy opened its institutional doors on August 9, 2017 for 6th, 7th, and 8th grade students with a focus on Science, Technology, Engineering, Art, and Math or STEAM Magnet Academy. An additional educational benefit that S.A.G.E. students share is the Planetarium that is located on the campus. We are a federally recognized magnet school and received our Magnet school certification $8 / 25 / 2022-8 / 31 / 2026$ from Magnet Schools of America. Our goal is to prepare students for success in high school and beyond by ensuring they are taught by highly qualified teachers and have access to the latest technology and curriculum. Research-based instruction will include hands-on activities, student collaboration, and project-based learning. To ensure our students have a well-rounded middle school experience, students will also have courses in the Arts such as music and art classes along with thematic units. SAGE Magnet Academy is also involved in the Palmdale Promise Sports League in both girls and boys sports such as; Volleyball, Basketball, Soccer, Cross Country and Track \& Field.

The mission of S.A.G.E. Magnet Academy Middle School is to utilize our local aerospace industry and professionals, planetarium, flight lab, AVID and other aerospace resources to implement rigorous learning opportunities founded in the practice of Project Based Learning in order to achieve our vision. We see students as what they can become. We empower students to contemplate aeronautics and space as possible future career choices. We prepare students to practice resilience, grit, and develop critical thinking skills through creativity and hands-on, real-life projects. Finally, we teach students to take ownership of their learning process and become life long learners.

Our vision at Space and Aeronautics Gateway to Exploration, S.A.G.E., Magnet Academy Middle School is to promote a growth mindset in all of our students, staff, and parents as we encourage academic achievement, global citizenship, and real world knowledge in space and aeronautics. We strive to provide authentic aviation and space themed instruction to develop critical thinkers prepared for high school, college, and careers.

## A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## 2020-21 Teacher Preparation and Placement

| Authorization/Assignment | School Number | School Percent | District <br> Number | District <br> Percent | State Number | State Percent |

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2021-22 Teacher Preparation and Placement

| The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template. |  |  |  |  |  |  |
| Note: The data in this table is based on Full-Time Equivalent (FTE) status. ## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

## Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

## College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

| Mathematics <br> (grades 3-8 and 11) | 6 | 6 | 14 | 16 | 33 | 34 |

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus
the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.
Science test results include the CAST and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. ## B. Pupil Outcomes

## State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

## 2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

## State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

## 2023-24 Opportunities for Parental Involvement

S.A.G.E. Magnet Academy Middle School's Parents have many opportunities to become involved with their children's education through school activities. S.A.G.E. has a Parent Community Liaison that assists parents with upcoming events, opportunities to participate in advisory councils/committees (ELAC, AAPAC, GATE, SSC); parent workshops with an emphasis on content standards knowledge, AVID Strategies, and ELD; monthly parent trainings taught by S.A.G.E. staff; AVID Parent/Family Nights; Parent Education Nights (Open House, Back-to-School Night, Parent Conferences, Coffee with the Principal); and all student family engagement activities. Our school counselor also provides parent/family workshops on Social Emotional student well-being.

We at S.A.G.E. Magnet Academy Middle School invite our parents to join us to many parent workshops and committees by inviting them in person, sending out messages through Parent Square, Remind, using the remind app, posting it on the schools Marquee, posting flyers in the glass cases outside of the administration building and, at times, posting on the office TV.

## 2023-24 School Safety Plan

School Safety Plan was updated November, 2023. ALICE (active shooter) training is conducted annually along with employee mandated Target Solutions. The Safety Committee met and updated the Safety Plan on 10/16/2023, 11/17/2023 and 12/12/2023. In January 2024 the Safety Committee will review and discuss the Safety Plan with the S.A.G.E. staff. Staff training with CrisisGo was conducted in October 2023, and will be conducted again in January 2024.

All students are expected to conduct themselves in a manner that promotes safety and order. Students are encouraged to bring problems to the principal, assistant principals, counselor, social emotional learning specialist, school psychologists, campus security, teachers, Penny Lane Therapists, or other staff members that provide support to students. The goal is for the staff to be proactive rather than reactive in all situations of concern. The activities and strategies to achieve our goal is to increase staff's readiness to handle emergency situations by providing training in life saving trauma care in the event of a major disaster or catastrophic event via Swift tactical. Staff will be trained or re-certified in CPR. Other key elements include the maintenance of facilities (grounds are clean of trash, debris, and graffiti) and the creation of a safe and orderly traffic flow in the pick-up and drop-off parking lot.

## Professional Development

Teachers are supported in professional development in the following areas: Study Sync (ELA adoption), Capturing Kids Hearts, Safe and Civil Schools, Chromebook Academy, AVID, PBL, PLTW, Read 180, NGSS, and Math 180. Instructional Rounds, collaborative planning, and student engagement strategies are primary areas of focus for staff development based on teacher needs and student data: CAASP, LPM, STAR 360 data. The professional development is offered through PD Express and consultants. Our professional development centers around math and science to support our Aeronautics pathway. Math content PD will be provided during the 2023-2024 school year. Teachers are provided with substitutes to attend the professional developments. Some professional development is offered during staff meetings, PLCs, conferences, and Saturdays. The follow-up professional development is through in-class coaching, staff PD training/meetings, and PLC meetings.
