

STUDENT ACCIDENT INSURANCE **2021-2022 School Year**

Dear Parents:

The Palmdale School District does not provide medical, accident or dental insurance for pupils injured on school premises or through school activities. In accordance with Education Code Section 49472, the District is making available a low cost medical/dental accident insurance program. The purpose of these plans is to provide assistance at a minimum cost to meet some of the expenses for accidental injury.

The plan costs are in the chart below. Please visit your Child's School Office to obtain a detailed brochure/application. Please read the Student Benefits Plan Brochures for each company to select the plan that best meets your needs.
